Ferris

For the medians it's \$660 a month once a month service I guess they pick up the trash and do light weeding. And of course check the irrigation. I think the bid has four (4) medians so with yours it would be six (6)

On another note last week I requested the adopt a median paperwork from the office a community beautification As of today I have not received a response, but I'm on it

Let me know if I can be of any further assistance

Lisa

Hi Lisa,

Can you kindly let me know what is HBT/LABT charging per median for maintenance.

I want to get an estimate on adding the two new medians into the mix.

Cheers,

Ferris

Dear Paul:

I am the Executive Director of the Hollywood Media District BID. I have been asked by one of our Board Members to inquire about the City's "Adopt – A – Median" form. The Hollywood Media District will be completing the application for one of the new medians located with our district boundaries. Specifically the one located between DeLongpre and Fountain Avenue. At your earliest convenience, please send me the application so that our Board and Green Committee can review it.

Thank you
